  - Teacher Grants
  - Student Scholarships (5 at \$300 each) – Need to move up the application process. Tentative due date for applications is February 2026. We'll present the scholarships at school and do a pizza party. And, then present them formally at Senior Awards Night in May 2026.

## Calendar and Upcoming Events

- Need to have a January 2026 PTSA meeting to approve the amended budget. And review the scholarship and teacher grant information.

## Principal's Report

- Dr. Dalal reported on Western Association of School and Colleges (WASC). It's done every 6 years. The last one was done in March 2023 (we have to show we've taken the steps to meet the goals of the school's action plan).
- Participated in Roses Project at Stanford. They're still in the process of publishing the final report. GHS is enacting one of the findings from the Roses Project; the students didn't feel like they knew about the different options after high school. The students wanted more exposure. Twice a month students will hear a guest speaker. Last week they got to hear from a panel from Gunderson alumni.
- In January the counselors will meet with the 9th graders (some 10th, 11th too) and show them how to read their transcript. Some upperclassman will talk to the students too.
- They're also looking at the Bell Schedule.
- Next week is Finals Week. There will be 2 Finals a day, Monday through Friday.

Next meeting Wednesday, January 7, 2026 at 7:00 pm

Meeting adjourned at 7:57 pm
